

# Key Information for Rough Sleepers in Oldham

3rd Edition

## Rough sleeper initiative key information

Hello! We are the Sanctuary Trust. We are a support service that delivers outreach to people who are reported to be sleeping rough in Oldham. We do most of our work during the night – when people are most likely to be ‘bedded down’ – but we also provide support to people identified as being on the streets during the daytime too.

Our work is commissioned by the Council. Together, it is our hope that we can not only relieve rough sleeping but also put measures in place to make sure you never have to sleep rough again.

But we understand it takes much more than just accommodation to help end rough sleeping. This is why we have put this document together; we hope the information in this document will help you rebuild a life away from the streets.

How do you eat an elephant? One bite at a time! So, let’s start taking those first few bites and before you know it, we made some great progress.

## 1. Where can I get emergency accommodation?

This will all depend on your individual circumstances. This is why it is so important that we support you attend homelessness assessment via Oldham Council.

This flow chart gives you indication of how we help people off the streets and into Emergency accommodation –

Maybe you're homeless but not rough sleeping, or you don't have to rough sleep all the time. Sometimes you have friends' houses to stay at or perhaps you have insecure arrangements set up.

Get in touch any way, send your updates to [housing.options@oldham.gov.uk](mailto:housing.options@oldham.gov.uk)

We would prefer to work with you before a rough sleeping crisis, if we can prevent your rough sleeping before it even happens all the better.

## 2. Where can I get food and water?

Thankfully, there are lots of places you can go across Oldham for Free of charge food and drink.

You don't need to be a Rough Sleeper to access many of these provisions.
